Feral Cats: What's a Community to Do? (Part II)

When: Friday, March 25, 2011

Time: 12 Noon to 3 PM

Where: Fairfield County District Library (Third Floor)

Join us to discuss options available in managing a feral cat population.

What are some of the issues surrounding a community approach:

- Involve community leaders and the public
- Community planning by indentifying individual feral cat colonies
- Selecting and preparing grants/fundraisers for TNR programs
